Dear Mr. Curtis:

You probably don't know me but you may remember the Gibson family from the Pisgah community of which I am from. I have known your mother and father since I was a small child and I have a cutting board, pencil holder and toothpick holder your father made. I gave him some walnut wood scraps to use in his hobby.

My father was Sanford Hamilton and my mother is Edna Gibson Hamilton and her father was G.G. (Hob) Gibson who was a brother to the Nancy & Mary Gibson, which the enclosed wedding invitation for your mother & father is addressed to. My mother is 90 years old and in the nursing home and I was going through some of her papers and found this and just thought you might like to have it. You may already have one but guess you can keep two as well as one.

Have a good day!

Sincerely,

Ann Hamilton Muse
